

# SIMPLE SPOOL

*May Block of the Month – Beginner - 12 ½ inches*

**Cutting:** Your choice of colors in light and dark shades!

Dark: Two 4 7/8 squares cut in half diagonally, One 4 ½ by 12 ½ inch strip.

Light: Two 4 7/8 inch squares, cut in half diagonally, two 4 ½ inch squares

**Sewing:**

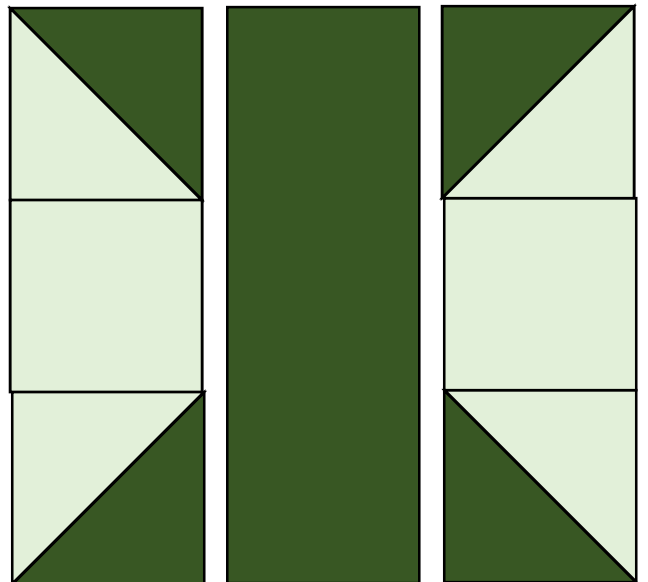

Sew four half square triangles using 4 7/8 inch light and dark triangles. Press seams to dark triangle, trim off dog ears and measure to make sure they finish at 4 ½ inches.

Sew triangles to light square as seen below, pressing seams toward the center square – make two sets.

Sew a spool side unit to each side of dark rectangle, pressing seams toward dark fabric.

Only 10 seams and you have a finished block, isn't that fun?
