

Rail Fence

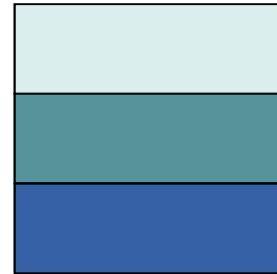

January Block of the Month – 12 ½ inches

Colors – 3 Blues from light to dark, one strip 2 ½ inches of each or 4 2 ½ x 6 ½ piece of each if you are working with fat quarters or smaller scraps.

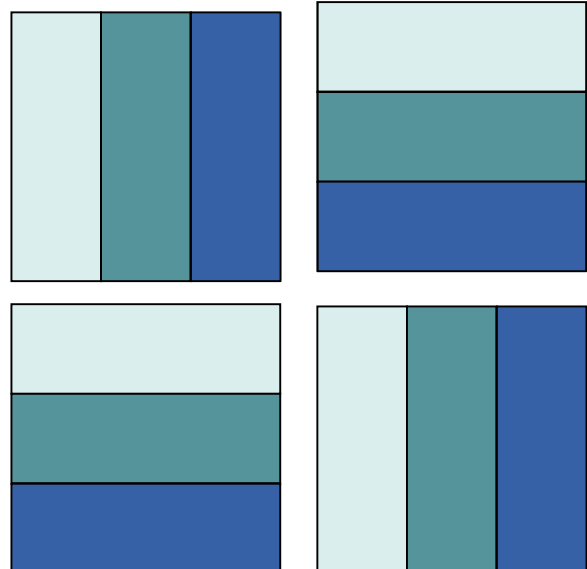

For Strip piecing:

Sew strips together with light on one side, medium in the middle and dark on the other side. Press all seams toward the dark. Pieced strip should measure 6 ½ inches wide. Cut into four 6 ½ inch squares.

If you are working with single pieces, sew light medium and dark pieces together to make four 6 ½ inch squares.

Sew the four squares together as illustrated to make a rail fence block! Super easy, everyone should be able to make one of these before our next meeting!
