2. Old Business

- Martha Moehring will be going over the changes to the bylaws and handing out hard copy to those that would like a printed copy. Martha read changes to guild members and asked for questions from members after reviewing each of the changes.
- Question – discussed having year-round meetings. The only concern with year-round is per the state of Oregon our guild runs September through May. It must match the non-profit status, to be in compliance and has to go to the State. Dawn will check about the necessary steps and see what we have to do to make this change legal. It has been suggested that we could meet as a group for this year and the Guild would pay for the meeting space at the Church and meet. Dawn will request from the Church to have meetings for July and August for this year.
